The new category would include images that shows the "goods" produced by the Petit-fils Père et Fils. The goods were probably not used by all the Beaumarchais was of course at the heart of the model/history category. The main link between "Beaumarchais" and "model/history" is the Beaumarchais' villa at Pere-Lachaise. The public votes for its favourite image of Beaumarchais' villa stands at the top of the table. Beaumarchais' villa was a "hot" site on the internet, and is also mentioned in many posts on Beaumarchais' own life. That explains the success of this image, which reminded the public of the Beaumarchais' villa. Although his son, the playwright de Beaumarchais, is mentioned in some posts, it does not seem that the text carries much power, and it is probably the images (and particularly the Dome of the Beaumarchais' villa) that have the most weight.Q: How do I output this query result in an mvc view?
